

Irvine and Dreghorn Brass Band Patrons Scheme

The patron scheme is an opportunity for you to support Irvine and Dreghorn Brass Band.

For just £20 a year, as a patron you will receive 2 complimentary concert tickets to the Christmas concert and a Patron's Badge. You will also receive a quarterly newsletter detailing the comings and goings of the band, and also news from the brass band world in general. This is sent by e-mail, but if you'd rather your newsletter via traditional post, let us know. Your name will also appear on the patrons page of our website if you are happy for it to be so.

The money raised through the patron scheme will be used for the general running costs of the band, and also to further progress our training band. We are a charity, and investment in our band is essential for our future development and success.

If you are interested in becoming a patron of the band, please fill in the form below.

I wish to become a patron of Irvine and Dreghorn Brass and enclose my donation of £20. (Please make cheques payable to Irvine and Dreghorn Brass).

Name: _____

Address: _____

Post code: _____ Telephone number: _____

Email: _____

—

I do not wish my name to appear on the band website as a patron []
